

## Covid-19 Procedure

The Positive Impact Academy are endeavoured to keeping all our students and staff members safe during this pandemic. In order to do so we urge parents and carers to adhere to the following protocols:

- Keep your child at home if they are displaying any symptoms and get them a Covid-19 test at the earliest opportunity.
- Any child who has been in contact with someone who has tested positive must isolate for 14 days.

The Positive Impact Academy will continue to deliver education to all of our students throughout and we are also on hand to help anyone who may be struggling during these difficult times.

*The Positive Impact Academy are here to help people find their limit, give them the knowledge to recognise it and the ability to exceed it.*

*Find. Recognise. Exceed.*
